Sporty Inside and Out

It's sweeping curves accentuated by the rear spoiler, plus an aggressive bumper and grille increase aerodynamics. Beyond aesthetic enhancements are the many features added for your comfort and convenience. Equipped with extra utility compartments and many active safety features.

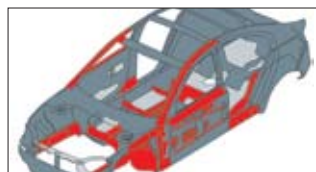

Lotus Handling

Agile yet graceful. Sturdy yet balanced. Take the wheel and feel the Lotus-inspired ride and handling. Its precise and progressive control plus a rigid chassis offer excellent stability to give you the confidence to leap into corners and conquer any road.

Campro with IAFM

Proton's own Campro engine now comes with the new Intake Air Fuel Module (IAFM) in the new Gen•2. IAFM is a reinforced high thermal plastic dual stage intake manifold providing a quicker pick up, smooth acceleration, smoother cruising and better drivability.

Uncompromising Safety

Standard features include Dual front Airbags, Dual side Airbags (GXR only), front pre-tensioner seatbelts, ABS with Electronic Brakeforce Distribution (EBD) and the new Auto-lock system. The increased body rigidity and strategic crumple zone placement ensure a safer cabin for optimal passenger protection.

6 DESIRABLE COLOURS

Solid White

Energy Orange

Tranquility Black

Metal Grey
